BS310C PORTABLE / BENCH MOUNT

- Ideal for both workshops and mobile use.
- -32 (DN51) Hose Capacity.

The BS310C cut off machine, available with 12v, 110v, 220v (1-ph) and 400v (3-ph) power supply options, is suitable for distributor, workshop and mobile applications.

The 325mm steel cut off blade offers full -32 (DN51) hydraulic hose cutting capacity.

Mounting holes are provided on the base of the machine. Adjustable table pins allow selection of the most suitable hose bend radius for safe, clean and dust free cutting.
